Improvement in the pension of personnel below officer rank (PBOR)

As per GOI letter No. 14(3)/2004-D(Pen/Sers)/Vol - III dated 01 Feb 06, the pension of -1996 retired PBOR will be revised with reference to the maximum of the post 01 Jan 96 scale of the rank in which they retired instead of the existing provision of minimum of the scale. This provision will benefit all the PBORs across the board as the existing provision was not beneficial to them. This was because of the reason that consolidated pension of some of the pre-1996 retired PBORs was more than the amount to which they got entitled to as a result of Modified Parity at the minimum of the pay scale of the rank held. Therefore, a case was taken up with MOD for grant of Modified Parity to PBORs at the maximum of pay scale in which they retired. This has been accepted. In addition, the weightage of Sepoy, Naik and Havildar ranks for the past as well as future retirees has been increased to 10, 8 and 6 years respectively subject to a maximum qualifying service of 30 years. Till now the PBORs were being granted uniform weightage of 5 years. The benefit would be given only in respect of service pension and will take effect from 01 Jan 06. These provisions will benefit the retired as well as retiring PBORs.

DGR Initiative for training of PBOR

On an average 60,000 Armed Forces Personnel retire from service every year out of which only two to three thousand are officers. Such a vast trained and disciplined human resource falling in the age group of 35-45 years cannot be allowed to go waste in national interest. On release from service the majority of the PBOR go back to their native places. Once the financial package received by them from the services is on the brink of finishing they realize the reality of life and look for some jobs in closer vicinity of their villages/towns. Finally, they settle for petty jobs on pay packages between two to three thousand per month.

Considering such a waste of talent in ex-servicemen and their exploitation by the environment, the DGR has initiated a career transition capsules of 2-5 days at the Regimental/Corps Centres where the PBOR under going discharge drills are reoriented by teams of selected ESM officers, regimental experts and prospective employers. The objective is to direct retiring PBOR to suitable rewarding vocation in the civil even before they have a long break and go out of circulation.

Recently, such teams of officers have visited 14 GTC Subathu, BEG Centre, Roorkee, BEG Centre, Pune Raj Rif Centre, MIRC Ahmedabad, ACC & S, Arty Centre, Nasik.

These visits are planned to be made every month in each Centre so that all PBOR who come for their pension/discharge drill avail of this facility.
